Toilet Renovation

1. **Cleaning and Maintenance Activities Conducted under “Swachh Bharat Abhiyan” at Primary Health Centre Thrikkur, Thrissur, Kerala State by the Board through SR & SD, Thrissur during the period 13.11.2018 to 10.12.2018**

As part of “Swachh Bharat Abhiyan” cleaning and maintenance activities were conducted at Primary Health Centre, Thrikkur, Thrissur , in the state of Kerala through SR & SD. The cleaning activities were commenced on 13.11.2018 and completed by 10.12.2018. In the Health Centre, the surroundings were full of bushes and bamboos were leaning towards the hospital building. Rubbles were also piled up on the way to backside of the Hospital. Hence, the following activities were conducted for cleaning and maintenance.

Cleaning the whole surrounding areas and removal of bushes.

All the surrounding areas of the Health Centre have been cleaned by removing the bushes during the campaign.

BEFORE

AFTER

Chopping of bamboos leaned towards the Health Centre.

The bamboos leaning towards the Health Centre were chopped and bushes grown on the side of the building were removed during the campaign.

BEFORE

AFTER

Construction of Basement (Half wall) by Random Rubble Masonry cement mortar on the surroundings of the trees in front of the Health Centre.

Basement (Half wall) surrounding five trees in the front of the Health Centre were constructed by using the above rubbles and painted the basement so constructed for more beautification. This half wall is not only beautiful but also very useful for patients visiting the Health Centre for sitting. Two display boards of Swachh Bharat Abhiyaan of Coir Board have also been hanged on the trees to spread general awareness about Swachata

BEFORE

AFTER
