

Press Note

The allegations leveled against the Coir Board officials are baseless. Coir Board is having 46 establishments across India for development and promotion of Coir Industry and officials of Coir Board are being transferred on administrative exigencies to achieve the desired outcomes. Smt. Jolly Madhu joined the Coir Board on 9th February 1996 as an LDC. She was later promoted to Junior Stenographer, Hindi Translator, and is currently working as a Section Officer.

Except for the brief period from 15th November 2010 to 1st May 2012, when she worked as a Hindi Translator in Alleppey, she has been continuously stationed at the Coir Board Head Office in Ernakulam.

Smt. Jolly Madhu was transferred to the Regional Office in Rajahmundry due to administrative exigencies. Due to her medical conditions which came to notice recently, her leave and leave salary were sanctioned, and her transfer order was also canceled. If any issues are identified within the Board, appropriate corrective measures will be taken.

**Chairman,
Coir Board**
